& Summit

9 DECEMBER 2020
SHERATON OMAN HOTEL

Leading names of the construction, infrastructure, real estate, manufacturing and design & engineering consultancies participated in the Dossier Construction's Infrastructure Awards & Summit 2020, organized on 9th December at Hotel Sheraton Oman. His Excellency Dr.Khalfan Al-Shueili, Minister of Housing & Urban Development, was the Chief Guest. The event was also graced by His Excellency Sheikh Salim bin Mustahail Al Mashani.

The highlight of the event was the panel discussion on 'Challenges & Opportunities in the Changing Economic Environment' involving the top names from the industry including Hassan Mohamed Juma, Managing Director of Al Osool Group & Chairman of Oman Real Estate Association; Khalid Al Balushi, CEO of Khazaen Economic City; Himansu Mohapatra, Group General Manager- Investments of Muscat Overseas Group; Fahad Al Ismaili, the CEO of Tibiaan Properties; and Siddharth Rishi Satapathy, Head-Treasury, Raysut Cement Company. The moderation was done by Akshay Bhatnagar, Executive Vice President & Group Managing Editor, United Media Services.

Later in the evening, the best industry performers, practices, technologies and projects were felicitated. Overall, 27 awards were presented to the deserving companies, professionals and industry leaders across various categories.
