

Mr. Krishnan Gajapathy Muralidharan
Managing Director
Middle-East Engineering Solutions LLC

A TRUE EXAMPLE OF HOW LEADERS WITH WISDOM WORK

Mr. Muralidharan is best described as an enthusiastic, energetic and passionate individual. He believes that “Leadership is the key to achieving the dreams of the employees”, and it is quite evident from his success that he has strongly followed his belief. He is an engineering professional with a mechanical background and holds a master’s degree. Twenty years ago, he started his career as a Processing Engineer and contributed zealously to the development of many companies in India and abroad.

Mr. Muralidharan’s urge to constantly challenge his personal capabilities led to the establishment of his venture, Middle East Engineering SOLUTIONS (ISO 9001:2015 certified), in the year 2010. Since then, he has been progressing consistently. MEES is into building services, starting with the complete HVAC package, Ventilation, Plumbing, Acoustics & Vibration (Turnkey), Lighting, and Building Materials. He also has a firm footing in India as Anji Engineering Services Pvt. Ltd. (ISO 9001: 2015 certified), which has branches in Chennai, Vellore, Pondicherry, Hyderabad, Bangalore, and Cochin.

Moreover, Mr. Muralidharan also

owns a chemical company, Middle East Solutions which has been catering to Oman’s chemical requirements for the past year. Currently, his companies

serve a huge customer base in Oman, India and UAE. They have more than 31 agencies, own warehouses and showrooms and independent departments headed by experienced professionals to ensure an uninterrupted flow of services and continued customer satisfaction.

For his professionalism, Mr. Muralidharan has bagged six awards in the past decade, including the Best MEP supplier award, from the years 2021 and 2022. While he accredits his accomplishments to teamwork, his optimistic and never-give-up attitude has inspired his staff, whom he has been leading effectively for the past 12 years.
